and More Accurate
Laser Welding with**

SpeedWIRE Pat. Pend.

from R•Findings

SPEEDWIRE - the refillable laser welding wire dispenser with fingertip control and stainless steel tip gets up to 2 mm from the weld and keeps wire clean and tangle free.

30 gauge wire coils sold separately in 14KW, 14KY, 18KW, 18KY, Platinum, Palladium and Sterling. Dispensers labeled with metal & gauge and come with loading instructions.

Organize up to eight Speedwire Dispensers with the Speedwire Stand - just \$19.95.
